We Are Not a Small Store

On a back street trying to get a start by dividing our profits with our custo ners.

We Are Not a Big Store At the end of the street trying to freeze out the smaller concern. .

But We Are

The oldest, best located, best stocked, and best equipped store in Carson, holding our place where WINE, LIQUOR, CIGARS. we always held it, at the head of the procession.

PRICE \$74.99. REDUCED FROM \$75. WHY DO WE DO IT?

For the same reason that some of our compensors have reduced the price of Citron, Lemon and Orange Peal? Because we know that you do not want it at this season of the year and we want to make a cut that will look big to you and amount

No, we do it to attract your attention. Now that we have it let us ask if you have noticed a great reduction in our neighbor's prices. Are they not asking "before the war" prices for most of their goods? Are they not sell ng a few unimportant things cheaper and making up on others? Is not the general average about the same? Do you think it is much to your advantage to get what you do not want cheaper and pay as much or more for what you really need?

Do you know why they shout CASH every time they make a close price? Is it because they are not able to trust you? If so do you think they will be able to buy to advantage and sell accordingly? Is it because they cannot trust you? Then car you trust them? Is it because they think you will not have cash to take advantage of their offer with? Perhaps,

Now we are not so particular about the CASH. We have probably trusted twice as much a. any house in Carson and are still doing it. We have had your confidence and have been trusted by you and we are not going to exact. Cash, from you before we give you what belongs to you-your moneys worth.

Our prices are not HALF RIGHT they are ALL RIGHT and they are our only weapons. You can come to our store without seeing ugly looking I nives or hearing us shout CASH OR MERRY WAR.
